Re: Sheppard property on Philadelphia Rd.

Dear Mr. Iacoboni:

Just wanted to send you a note to let you know what a nice job your employees did in putting the sewer lines in for the above properties. They were very nice and informative when we had questions. They did the job in a timely matter when weather was permitting. When something went wrong they were there to fix it.

Just wanted to also say Thank you for everything that you and your company did.

Sincerely,

Franklin Sheppard
11444 Philadelphia Rd.
