Dear Tom:

Please accept my compliments, and the appreciation of this Department, for your ongoing excellent work on behalf of Baltimore County, as reflected in the phone messages received from residents of Bay Drive and Breen Place.

We are particularly appreciative of your crew's work to correct the collapsed culvert under Breen Place. Your company's prompt response to this emergency over a holiday weekend was phenomenal. This was certainly an excellent example of how the public and private sectors should work together.

Please convey my personal thanks and congratulations to each member of your crews. This department looks forward to many more years of working with your company for improvements to our Baltimore County infrastructure.

Very truly yours,

Edward C. Adams, Jr., Director
Department of Public Works
