Mr. Tom Iacoboni
Iacoboni Site Specialists Inc.

Baltimore, MD 21237

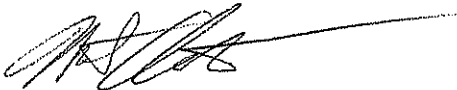

Dear Tom,

The purpose of this letter is to bring to your attention the exceptional job Frank Reavis and his crew did at the Carver Senior Apartments project. I am writing this letter at the recommendation of Senior Project Superintendent, Joe Russell. I have personally worked with Frank in the past and agree with Joe's assessment.

Frank and his crew performed professionally in every aspect of their work. His crew was able to complete their work ahead of schedule despite a series of challenging conditions and obstacles. Frank conducted weekly safety meetings and made sure we received the appropriate documentation. The site was visited by OSHA on several occasions. Iacoboni was always in full compliance and the subject of positive comments from the OSHA inspector. Frank's ability to look ahead and properly sequence the job exemplifies the level of professionalism that will ensure the continuing success of both Bozzuto and Iacoboni.

Please express our gratitude to Frank and his crew and thank you for staffing our project with this top performer. Iacoboni will be my first call for future site development.

Yours,

Mike Armendariz
